Letter of consent between Zamboki Holocaust Victims Serbia and Yugoslavia  
and the Hall of Names at Yad Vashem

The representatives of the association approached the Hall of Names at Yad Vashem with a proposal to register the names of all the Jews of Serbia and Yugoslavia who were murdered in the Holocaust and bring them for commemoration in the Hall of Names at Yad Vashem and in the museum in Belgrade.

The Hall of Names at Yad Vashem will receive and integrate into the Central Database of Shoah Victims' Names at Yad Vashem all the names of those murdered that will come up in the association's research work and will be forwarded on by it for the purpose of preservation and commemoration for future generations.

When displaying these names in the Names Database, due credit will be given to Zamboki Holocaust Victims Serbia and Yugoslavia.
